

WIPES PLUS[®]

HIGH QUALITY DISINFECTING WIPES AND ANTIBACTERIAL HAND WIPES

- **Disinfecting Wipes** remove bacteria and viruses from surfaces like gym equipment, desks, computers and phones
- **Antibacterial Wipes** sanitize & remove germs from hands with a gentle and non drying formula. Water based and alcohol free, these lightly scented wipes are the perfect choice for sanitizing hands
- EPA registered in all 50 states for use on equipment
- Both are high quality wipes that kill MRSA, Bacteria, Viruses and Staph
- Destroys or deactivates:
 - **Bacteria and Staph:** Escherichia Coli 0113, Staphylococcus aureus, Salmonella typhosa, Pseudomonana aeruginosa, Mycobacterium tuberculosis var. bovis
 - **Fungi:** Trichophyton mentagrophytes
 - **Viruses:** HIV-1 (AIDS Virus), Herpes simplex virus types 1 & 2, Vaccinia virus, Influenza virus type A-1 (New Jersey) and Influenza B (Maryland)
- Gentle, water based formula safe for plastic, laminates, metals, Plexiglas, screens & rubber
- Independently lab certified to quickly disinfect
- The perfect and **economical** choice for classrooms, lunchrooms, gyms, locker rooms and computer classes
