You've Never Seen Green Clean Quite Like This Before.

It's no secret that our environment is in trouble. Global warming, acid rain, caustic fumes being pumped into our air every day making it unsafe to even breathe. There is no fast and easy solution but we can all do our part to help the environment. And a great place to start is to use to all natural, chemical free cleaning products. That's where Earth Friendly Products come in.

Earth Friendly Products is a recognized leader in plant made, ready to use, environmentally sound cleaners. From soothing lavender window cleaner, to succulent pear dishwashing liquid to refreshing lemongrass laundry detergent, their plant-based formulae have been on the market for over fourteen years.

Our products are 100% biodegradable, caustic free, ammonia free as well as formaldehyde, chlorine and dye free.

We Offer 3 Unique Packs For All Your Cleaning Needs:

a. Kitchen Starter Kit: \$15.75

This compact kit contains everything you need for a sparkling clean kitchen that will smell like the great outdoors. Soothing **Lavender Hand Soap** with a spa pump is formulated to be gentle for even the most frequent hand-washing. **Lavender Dishmate Dishwashing Detergent** cuts through grease and leaves behind a soothing lavender scent. **Parsley Plus All-Purpose Surface Cleaner** cleans, deodorizes and degreases surfaces in the kitchen. And an all natural **Fruit & Vegetable Wash** naturally removes surface preservatives, pesticides, wax, soil, dirt, and other contaminants from produce. All packed in a convenient, recyclable caddy. *(Featured on Cover.)*

b. Pet Pak: \$22.75

Four full-sized products designed to leave your pet's coats shiny, clean and dander free. **Pet Shampoo** safely removes residue without damaging hair, while **Dander Out** leaves coats dander free without an oily residue. Clean paws, coats and sensitive areas with our **Pet Wipes** in a convenient 70-count canister and clean and deodorize virtually any surface with our organic **Stain & Odor Remover**. All products are biodegradable and may be safely used on cats, dogs, and other small animals such as rabbits, hamsters, guinea pigs and ferrets. *(Inset to Left.)*

c. Eco Pak: \$29.95

Our best value yet! Six industrial sized all natural cleaning products for every room in your house. Made with certified organic lavender our **Window Kleener** removes dirt, fingerprints and smudges and leaves a streak free shine. Care for wood surfaces with our all-natural, olive oil based **Furniture Polish** that restores and protects all your wood surfaces. All natural ingredients make our **Dishmate Pear** the perfect dishwashing choice because it is tough on greasy pots and pans, but gentle on hands. Discover the cleaning and deodorizing difference of parsley with our **Parsley Plus All-Purpose Cleaner**. Refresh the air with the natural scent of lemongrass. **Ecobreeze Lemongrass Air and Fabric Refresher** is made from reactive plant extracts that naturally combine with malodorous substances to neutralize them. Rounding out our 6-pack is our **Ecos Lemongrass Laundry Detergent**, a 50 oz. hypo-allergenic laundry detergent strong enough to clean work clothes while gently preserving fabric fibers. *(Inset to Left.)*
